

*Building
houses,
building
hope*

October 18, 2016

"Whatever good things we build, end up building us."- Jim Rohn

Dear Roth's Heating & Cooling,

On Saturday October 8th, 2016, a community came together and said we choose to build! We choose to build a home for a family in need, we choose to build a community that supports their brothers and sisters, we choose to be a solution to a problem. Your donation to the 2016 North Willamette Valley Habitat for Humanity Dinner & Auction allowed us to raise over \$59,000 to help build homes for low income families in our community, a personal record for our affiliate. We have already purchased a lot in Silverton and thanks to the love and support of our community through this event; we have now secured the funds to build our 45th home!

Your donation to our auction is helping to build a stronger community and giving families access to the dream of affordable homeownership. Homeownership is more than owning a home; it is the potential to break generational poverty and to leave a legacy that helps raise a family up in almost every aspect of their lives. It is the model of a hand up, not a hand out, which in turn lifts and builds our entire community. Since our affiliate began in 1986, we have partnered with 44 local families to build homes. Next year, we will partner with our 45th family. That is 45 families whose lives have been transformed. This is only possible because of your generous support.

We thank you again for your thoughtful donation that will enable us to build homes and combat poverty housing. We are so proud of what we are building together! If you would like more information on our programs, how to volunteer, or to schedule a team build on our build sites, please do not hesitate to contact me at 503-845-2434 or by email at wpatton@nwvhf.org.

Sincerely,

A handwritten signature in cursive that reads "Wendy Patton".
